Owing to the passing from our midst of Miss Mary S. Foote, our late secretary and treasurer, we are omitting papers from the Journal and the report of the Nineteenth Annual meeting held at Saratoga Springs, but will include them in the next issue.

It is the duty of every citizen to
be loyal to his country and to
the Constitution. It is the duty of
every citizen to be true to his
principles and to his conscience.
It is the duty of every citizen to
be honest and to be just.

UNIFORM LAWS ANNOTATED

as the volumes of this set contain the full text of and the only exhaustive and up-to-date annotations to the following acts dealing with commercial law:

Uniform Sales Act	Adopted by 28 States
Uniform Conditional Sales Act	Adopted by 8 States
Uniform Warehouse Receipts Act	Adopted by 48 States
Uniform Bills of Lading Act	Adopted by 25 States
Uniform Stock Transfer Act	Adopted by 17 States
Uniform Partnership Act	Adopted by 16 States
Uniform Limited Partnership Act	Adopted by 13 States
Uniform Negotiable Instruments Act	Adopted by 51 States

Also all other Uniform Acts that have been adopted.

The standard of the work is attested by the following resolution of the Executive Committee of the National Conference of Commissioners on Uniform State Laws adopted at its January, 1923, meeting.

"RESOLVED, That the Executive Committee of the National Conference of Commissioners on Uniform State Laws records its approval and commendation of Uniform Laws Annotated published by Edward Thompson Company."

In ten handy size, handsomely bound volumes, each of which will be brought up to date annually by cumulative supplements. These supplements by a patented device become a part of each book, and for each of the important laws above mentioned there is a separate book, and that book is always up to date.

THE CONSTITUTION AND THE COURTS

The Supreme Law of the Land

A work that judges, lawyers, legislators, publicists, teachers, and every citizen of the United States who takes an intelligent interest in public affairs should have.

For a correct understanding of the various provisions of the Constitution one must read in connection therewith the court's interpretation.

The United States Supreme Court for one hundred and thirty-five years has been searching out and declaring the meaning of the Constitution clause by clause, and this great body of judicial interpretation is here presented in a most exhaustive and satisfactory manner.

In this set the Constitution is annotated clause by clause and these annotations are exhaustive in the citation of cases. The holdings of the decisions are fully set forth, and the notes abound in copious excerpts from the opinions.

The completeness and accuracy of these notes is established by the fact that no errors or omissions have been discovered in them by the thousands of lawyers who have used them for years in Federal Statutes Annotated, from which they are reprinted. Everything in these annotations is made instantly accessible by a very full index, and they are right up to date in the citation of cases.

Another important feature of this work that every student of the Constitution will find of great interest and value is the treatise on "The Growth of the Constitution in the Federal Convention of 1787" by William M. Meigs of the Philadelphia Bar. This treatise of nearly two hundred pages was produced from a careful study of the debates, and gives the whole origin and growth of each clause from beginning to end in the Convention.

The set consists of three handy-size volumes—about 2500 pages in all—handsomely bound in blue fabrikoid, and it will prove a valuable addition to your office or home library.

The price is only \$15.00 delivered
